'Pæchwork/ Collection

– Piero Lissoni signs 'Pæchwork/ Collection, the new range of tiles, sanitary fixtures, faucets and accessories. COTTO, flagship brand of SCG, leading conglomerates in Asean, among the few international firms that offer a complete solution for the bathroom, testify with 'Pæchwork/ Collection the desire to further assert itself in Western markets through unique collections conceived for a cosmopolitan audience.

– Piero Lissoni firma 'Pæchwork/ Collection, inedita gamma di rivestimenti, sanitari, rubinetteria e complementi. Simbolo della forza del marchio, flagship brand di SCG, leader nel Sud-Est Asiatico, tra le poche realtà internazionali con una proposta completa per il bagno, 'Pæchwork/ Collection testimonia la volontà di COTTO di affermarsi sempre di più sui mercati occidentali grazie ad esclusive proposte pensate per il pubblico cosmopolita.
