OUR HISTORY

OUR HISTORY

Siam Sanitary Ware Industry co.,Ltd was established in 1984 by The Siam Cement Public company limited to produce worldclass sanitary ware under the "COTTO" brand.

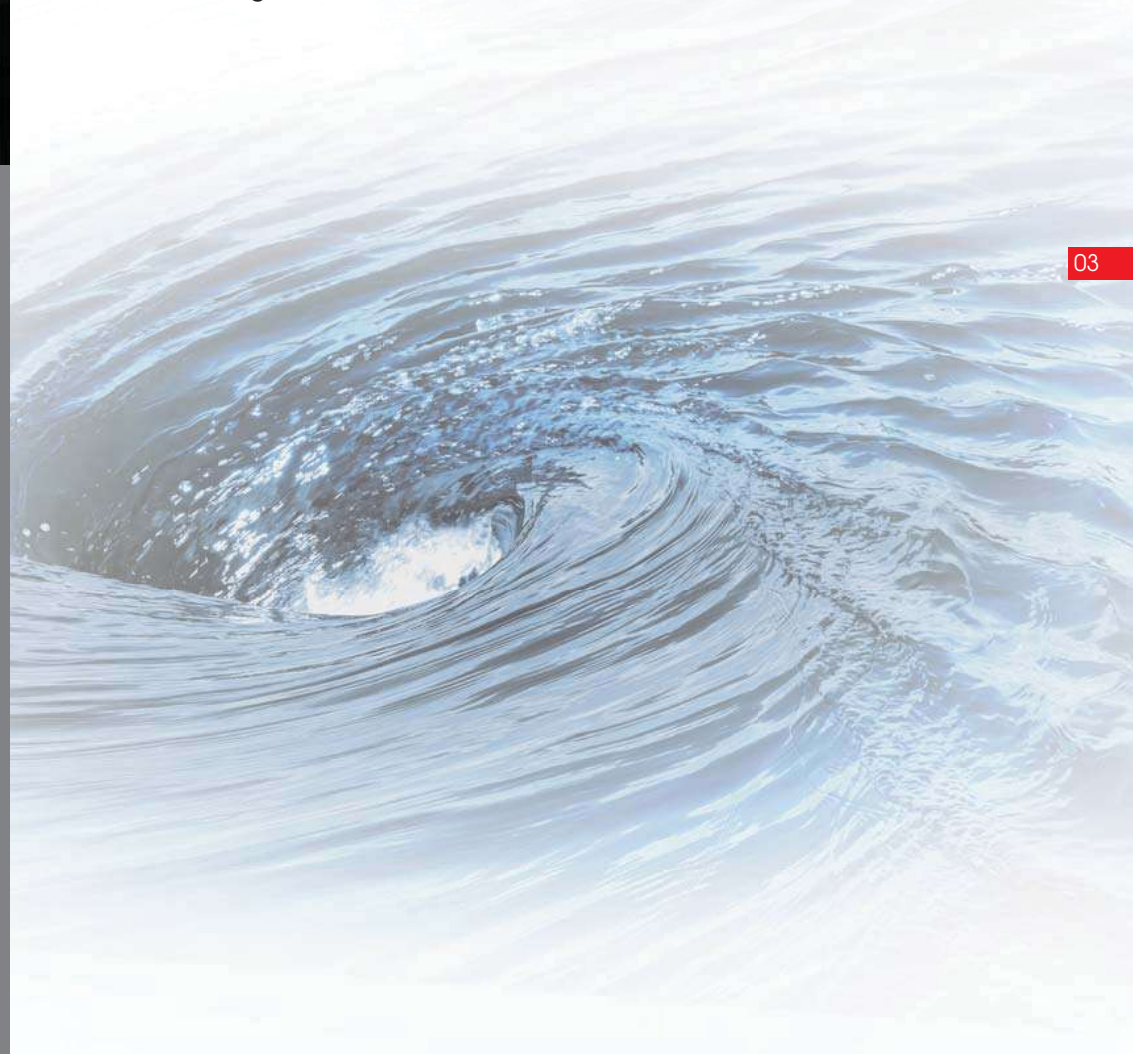

Our wide variety of products under the COTTO brand can accommodate varied consumer tastes like: water closet, basin, urinal, bidet, bathtub and bathroom accessories.

COTTO, A product of complete line of quality sanitary ware has responded to consumer demand by continually expanding capacity. At present, we have 4 factories with an efficient distribution network throughout Thailand to ensure prompt delivery.

OUR TECHNOLOGY

Safeguarding and maintaining the cleanliness of your home starts with your bathroom. As the place where germs and bacteria first accumulate, the bathroom requires products that are convenient and easy-to-clean to ensure that your family's personal space remains safe and pristine. With new technology and innovation, we can help maintain a clearer house with greater ease.
